Program Overview:

The Michigan Government Finance Officers Association is proud to offer a package of three one-day seminars designed for practitioners in the field of public finance who are responsible for the accounting and budgeting functions in their governmental units. Participants must have had basic accounting and bookkeeping training to enroll in this program.

Certificates of completion will be awarded to participants who successfully complete the series of three seminars within two years. Each seminar qualifies for six (6) CPE or .6 CEU credits. The CPE credits qualify for governmental accounting and auditing.
